CV of "Failures" - C.D.N. (Diego) Damasceno

⌂ damascenodiego.github.io   in/damascenodiego   🐦/damascenodiego

Summary

Inspired by Eskreis-Winkler & Fishbach (2022), I prepared this (unlikely to be complete) list of memorable "failures" in my career. My extended CV is available at https://damascenodiego.github.io/cv/.

Education degrees and programs I did not get into

2017	**Double Ph.D. Degree Candidate,** Högskolan i Halmstad (HH), SE
2015	**Ph.D. Candidate Position,** Technische Universität München (TUM), DE
2007	**Exchange Student,** Youth Ambassadors Program, USA
	Preparation Course Studentship, Ideal Militar, BR

Academic positions I did not get

2022	**Lecturer** in Software Engineering for AI Systems, King's College London, UK
	Assistant Professor in Software Engineering, TU Delft, NL
	Assistant Professor in Software Engineering, University of Luxembourg, LU
	Assistant Professor of Software Technology, Radboud University, NL

Industry positions i did not get

2022	**Software Team Lead Virtual Prototyping**, Canon, NL
2016	**Software Development Engineer/SDET**, Amazon, USA
	Software Engineering Intern, Google, USA
	Software Engineering Test Intern, Illumina, UK
	Software Engineering Intern, Dell EMC, USA
	Quality Assurance Engineer Intern, GE, USA
	Watson Quality Engineer - Intern, IBM, BR
2008	**IT Support and Programmer, Intern**, Computer Store, BR

Awards I did not get

CSBC'21	Best PhD thesis award in the Theses and Dissertation Contest at the Congress of the Brazilian Computer Society (CTD-CSBC'21)
SBES'21	Best PhD thesis award in the Software Engineering Doctoral Theses Competition at the Brazilian Symposium on Software Engineering (CTD-ES/SBES'21)
CSBC'17	Best MSc dissertation award in the Theses and Dissertation Contest at the Congress of the Brazilian Computer Society (CTD-CSBC'17)

Papers rejected from peer-reviewed conferences

FASE'23, '22, '19   SPLC'22   SBIE'20   FSE'19   SEKE'15   SBBD'10

Research funding and scholarships I did not get

Google LARA'19	Project proposal on **Model-Based Energy Testing** submitted to Google Latin America Research Awards (LARA)
Facebook'19	Project proposal on **Energy Consumption Testing** submitted to Facebook Research Awards
FAPESP'17	São Paulo Research Foundation (FAPESP) Scholarship for his **Doctoral Research Project** and **Research Exchange Program** (BEPE)
PDSE'17	CAPES Scholarship for **Sandwich Doctorate** Program Abroad (PDSE)
Google LARA'15	Project proposal on **Model-Based Security Testing** submitted to Google Latin America Research Awards (LARA)
FAPESP'14	São Paulo Research Foundation (FAPESP) Scholarship for his **MSc Research Project** and **Research Exchange Program** (BEPE)

[For Embracing My Past Failures as Teachable Moments To My Future Self]
